Agenda:

For this week's meeting, we need to show the Demo with 4 out of 6 features, have an overview of CO_2, full workflow "Track the CO_2 of you and your friend".

Some question we need to ask TA: About the session. Something with the bonus point. Merge branch.

1.During the meeting, we firstly show the Demo and explain something about the demo.

2.Then everyone should talk about what he did last week and the plan for next week. we also need to talk something about the android app and web app.

3.At the end of the meeting. We need to talk about when and where should we meet during this week.
